

## **Introduction**

To assist hydrostatic testing personnel in understanding the requirements of the hydrostatic testing provisions of Chapter 5.5 of the California Government Code and Title 2, Division 3, Chapter 1, Article 5.5 of the California Code of Regulations, the CDF/ Office of the California State Fire Marshal (SFM) and California State Lands Commission respectively, has developed this Student Manual.

The information contained in this supplement is not new. Reporting procedures contained in this publication merely identify these requirements in a single easy-to-use student manual.
